

register.com
Don't just make a website. **Make an impact.**

Welcome to your new register.com email account!

Congratulations on the purchase of your new Register.com email. To set up your email account, please follow these easy steps:

1. Log into your "Domains & Services" page:
<https://www.register.com/myaccount/productdisplay.rcmx>
2. Click the "Activate Now" link next to the mailbox you wish to activate. You will be asked to create a password and to name your email box. e.g.
info@yourdomainname.com OR sales@yourdomainname.com.
3. Log into your mailbox with your mailbox log-in & password:
http://www.register.com/product/email/login_webmail.rcmx
4. In the future, once your email has been activated, you can log into your account:
<http://mail.yourdomainname.com>, via the web 24 hours a day.
5. Send your first email by clicking "compose" in the upper left-hand corner.
6. To learn how to access your email via Microsoft® Outlook®, click the following link:
http://support.register.com/cgi-bin/register.cfg/php/enduser/std_adp.php?p_faqid=554

If you have any further questions and wish to speak with a web consultant you can contact us 24 hours a day, 7 days a week, by calling 1.877.731.4442.
